Positive

Child stays at home for at least 10 days

Child cannot return to school until a negative test result

Negative

If child is well and temperature is gone

No

Does a member of my household have:

- A temperature OR
- New continuous cough OR
- Lost taste or sense of smell

Yes

All members of the household stay at home

Member of household showing symptoms must get COVID test- COVID NHS number is 119 and others get tested if they show symptoms- MUST INFORM SCHOOL OF RESULT

Negative

Positive

Others in household stay at home for 14 days

Child can go to school

If you are contacted by NHS Test & Trace (and your child was with you during contact with the COVID 19 person) you and your child must isolate for 14 days, even if either of you receive a negative test.

If your child was not with you, your child can attend school as long as you or they do not develop symptoms
